Junior Infants have had great fun in their first two months in school. We have got up to loads of fun and amazing activities such as clay, pumpkin carving, nature walks and much more.

Senior Infants have packed lots into the first two months of school. We have made B airin Brac and Day Of The Dead Bread. We tried raw honeycomb. We dressed up and made skeletons and made wonderful Autumn art.

Bonjour from 3rd and 4th Class! Oh l   l   ! Come and see our projects about France. We have been learning about France, the host country of this year's Rugby World Cup. Our classroom was like in France with a sea of berets, fake moustaches and touch of Coco Chanel with the stripy t-shirts. Zara whipped up some yummy crepes for us and we also enjoyed some Pain au Chocolat but no snails or frog feet! We were very lucky to have Ysandre visit and help us with our French pronunciation. Merci beaucoup!
